

SAULT STE. MARIE

CDF – Social Equity Program

The purpose of the Social Equity Program of the Community Development Fund is to support social equity initiatives that help Sault Ste. Marie to be a welcoming and inclusive community where everyone is valued and respected, has access to an acceptable standard of living, can fully engage and participate in all aspects of community life, and is able to realize their full potential. This includes projects that reduce poverty, strengthen the relationship with Indigenous peoples and communities, improve safety, improve the growth and development of children and support Sault Ste. Marie in continuing to be a welcoming and inclusive place that supports the wellbeing of its citizens.

1. Eligible Applicants

Eligible Applicants include non-profit organizations and City departments. Social equity seeking groups are encouraged to apply in partnership with an organization that meets this criteria and collaboration is encouraged.

4. Process for Evaluating Proposals

4.1. The Community Development & Enterprise Services Department will provide the resources to support the intake of applications and support the proponent(s) in the development of their proposal.

4.2. The City Finance, through the CD&ES, will provide recommendations regarding economic resources available and related concerns (e.g., due diligence collaboration, risk management, etc.)

4.3. Once an application has been deemed eligible and complete by City staff, applications will be reviewed with the Social Equity Committee for recommendation to City Council.

4.4. All requests will be presented to Council in writing with supporting presentations by the applicant, if required. A copy of the application will be included in the Council package which is public. Any confidential material to support the application should be contained in a separate document and marked confidential.

4.5. City Council will make the final decision regarding the approval of financial contributions.

5. Accountability, Monitoring and Reporting of Results

The following will be expected from the successful applicants:

5.1. Recognition of the Community Development Fund contribution to the project in reports and appropriate marketing products, including the City logo.

5.2. Progress reports as outlined in their application timetable and proposal to City Council.

5.3. A final project report containing an evaluation of the success of the initiative in meeting its goals and key performance targets as well as the benefits to the community.

5.4. A complete report of all revenues and disbursements for the project within 6 months of completion of project. The City Finance Department will require supporting financial documentation (e.g. paid invoices, etc.) and has the right to review or audit project.

The Social Equity funds are provided on a re-imbusement basis, i.e., an organization incurs the cost, provides invoices to the City in a claim report and the City's contribution level to the project is then provided. Where other levels of government or other funding programs are involved, the City will receive claim packages as submitted to the other funding agencies and pay their proportional share of approved and eligible project costs.

6. Individual organizations must demonstrate the following:

- Community benefit – clear, measurable benefits to the community
- Appropriate financial reporting and controls that demonstrate the financial capability and capacity to manage the project.
- Accountability of organization with clear identity, appropriate organizational structure and capacity to deliver project
- Involvement of multiple partners in planning, doing or evaluating the work (where appropriate)
- Support from individuals who are knowledgeable about the sector and/or the initiative

7. The organization must have a clearly stated purpose and function and must be fully responsible for the planning and provision of its services.

8. The organization must demonstrate the need for funding

9. Where appropriate, organizations should show that the private sector or non-governmental field has contributed a minimum of 20% of the funding for the program.

10. The organization shall provide evidence that it has fully explored other sources of financial support, including upper levels of government, foundations, private industry, fundraising, user fees, etc.

11. The organization must provide the appropriate financial and organizational information (where appropriate):

- Copies financial statements and/or annual budget
- Business plan or corporate strategic plan
- If the organization is currently funded by the City, indicate the percentage of costs the City funds
- No significant past deficits or large, unrestricted reserve funds or accumulated surplus

12. An organization must be able to monitor outcomes and be able to evaluate activities for which the grants were received. It must be willing to participate in an evaluation process of its service standards and attainment of objectives and a project summary within one year of project completion.
